MVD Third Party Desktop/Software/Printing Specifications

Updated: November 2004		
Notes: * Listed prices are from local and national vendors, and do not include tax, shipping, or installation, and are for informational purpose only.		
** The hubs are needed since the 2430 has only one Ethernet port. The site owner can use switches instead of hubs, but the switches are more expensive and will provide no advantage over the cheaper hubs in this kind of configuration.		
Miscellaneous Optional Equipment -- <u>Minimum</u> Requirements **Quantity will depend on individual site needs.**		
Description	**Part Number**	**Unit Price***
Category 5 (CAT 5) compliant Ethernet cabling to connect all equipment (if the site is Ethernet. Otherwise, similar cabling requirements for TokenRing.)	A3L791-05 (5' cable)	$3.00 (Various on length)
DESCRIPTION OF OTHER ACCESSORIES	**Part Number**	**Price**
Shredder	n/a	$60.00
